Treat Dad to his favorite 'guy gifts'

Father's Day is next Sunday and what could be better than treating Dad to a favorite gift from a local Chamber-member business? When you shop local, you reinvest in your community and continue to strengthen the economic base of our county through the creation and preservation of jobs. A larger portion of locally generated tax revenues get returned to our communities and local businesses are more apt to reinvest their profits in our communities through business expansion and support of many local nonprofits. So treat Dad, while at the same time helping the community we live in, and have a Happy Father's Day!

It's a "New Directory Party"!

The 2017 / 2018 Chamber Business & Community Guides are in and we invite you to stop by the Chamber's Welcome Center from 4:30-6 p.m. June 13 to enjoy some refreshments, peruse the Guide, network with other Chamber members, and take some Guides home and to your business to distribute to your customers and clients. This annual directory magazine of Chamber members gets better and more beautiful each year!

The cover features Citrus County Sheriff's Office Crime Prevention Deputy Nancy Suto with the free-form wooden jewelry boxes that she makes in her spare time and displays at Chamber members Franklin Anderson Gallery

and Mez-Mer-Eyes.

There are also stories featuring the many wonderful assets of our community, including our diversity of lifestyles and communities, education; health, shopping, dining and entertainment, special events, non-profit support, business leaders making a difference, County demographics, and important public service phone numbers. This great directory is a handy reference to Citrus County businesses that provide a wide variety of services. A PDF version is also available through the Chamber website.

For more information, call Janet at 352-795-3149.

'Chamber Report' on WYKE

Watch the weekly "Chamber Report" show on WYKE-TV to stay abreast of Chamber events, issues and member spotlights with host Josh Wooten. "Chamber Report" is broadcast on Tuesdays at 4:30 p.m. on Bright House Channel 16 and Channel 47 (digital antenna). It can also be accessed on Live Stream.com by searching for WYKE.

Katie Neely

This week's program features Katie Neely, program manager of Aspire Relationship Center, home of The RIVER Project, that works with teens to help them avoid risk and make healthy choices in their lives. Katie shares the exciting projects that Aspire has in store for the

summer.

Rudi Weber, along with his wife, Lynn, own Lynn's Ice Cream in Inverness. Rudi also stops in to talk about their fabulous homemade ice cream: a cross between American and Belgian flavors that they serve in a handmade waffle crisp bowl.

The Webers, who moved to Inverness from Antwerp, Belgium in 2012, also serve authentic Belgian waffles and crepes. In addition to the storefront at 2028 W. Hwy 44 W in Inverness where they make all of their ice cream, Lynn's can also be seen at many community events in their pink-and-white-striped trailer.

Chamber Report is your ticket to the many happenings in Citrus County!
