EMAIL TO: ardath@citruscountychamber.com

The Citrus County Chamber of Commerce is proud to promote its "You Caught My Eye" program. The program allows residents and visitors to recognize employees who provide superior Customer Service. In addition to the employee's name appearing in the newspaper, the Citrus County Chamber of Commerce sends a letter to the employee's manager noting the recognition. We are excited to offer such interaction between businesses and community residents. So, go ahead, give a shout out to someone who gave you exceptional customer service.

Please note: Business must be located within Citrus County.
