Local Recovery Resources

Citrus County was fortunate to experience a much better outcome in the wake of Hurricane Ian than potentially projected. However, as we know, we cannot always count on such fortune in the future. The Citrus County Chamber of Commerce encourages all our residents and business owners to stay prepared and informed of the resources we have readily available in the event of another potential emergency or threatening weather event. If you are seeking options to assist our fellow Floridians who bore the devastation of Hurricane Ian, the Florida Disaster Fund has been activated. This is the State of Florida's official private fund established to assist Florida's communities to support response and recovery activities. Donations are tax deductible. More information can be found at www.FloridaDisasterFund.org.
