September Chamber Luncheon: From Tallahassee to Citrus County

Decisions made in Tallahassee have a direct impact on the businesses, families, and communities here at home.

At our September Chamber Luncheon, the Citrus County Chamber of Commerce is bringing that conversation home with Florida House Representative JJ Grow, District 23, and Florida Senator Ralph Massullo, MD, District 11.

Representative Grow and Senator Massullo will share updates from the recent Florida Legislative Session and discuss key legislation, priorities, and decisions affecting Citrus County.

This conversational program will give attendees an opportunity to hear directly from our state legislative delegation about what happened during the session,

what it means for our community, and the issues they will continue to watch moving forward.

Business leaders, community partners, and residents are encouraged to join us for an informative discussion connecting the work being done at the state level with the issues that matter right here in Citrus County.

Networking begins at 11:30 a.m., followed by the program at noon. The event is sponsored by TOO FAR Water & Natural Resource Foundation, Inc.

Advance reservations are required. Admission is \$30 for Chamber members and \$35 for non-members.
