

Governor DeSantis issues Stay at Home Order

This afternoon, Governor Ron DeSantis issued a "[Safer at Home](#)" order that will take effect at midnight tomorrow, April 2. The Executive Order 20-91 states that all persons in Florida shall limit their movements and personal interactions outside of their home to only those necessary to obtain or provide essential services or conduct essential activities.

A copy of the Order, including informational material from the US Department of Homeland Security regarding Essential Services, is available [here](#).

The Chamber is working with our constitutional offices to gain a greater understanding of how it will work in our community, what will constitute essential services, and how that will pertain to our local businesses. We will provide more direction and guidance as we learn more. The information will also be posted on the Chamber website at www.CitrusCountyChamber.com.

Stay safe!
