

Free Webinar: Obtaining and Managing SBA COVID-19 Disaster Loans and Grants Friday, May 1, 8:30 a.m.

Nature
Coast, FL

The CARES Act created two very large SBA disaster funding vehicles. The Economic Injury Disaster Loan (EIDL) and the Paycheck Protection Program (PPP) provide emergency funding to small businesses who are impacted by the Covid-19 pandemic.

Many Nature Coast small businesses applied for funds through these programs. Many of those have already received funding while others are waiting for their applications to be processed by the SBA and lenders.

Some of these funds are a loan and some are a "forgivable loan" - meaning that you DO NOT have to pay it back. However, how you spend the funds and how you document those expenditures may have a major impact on whether you must repay the funds.

SCORE and the Citrus County Chamber of Commerce will be presenting valuable information on these programs in an **online webinar Friday, May 1st at 8:30 AM.**

Jim Green, Certified SCORE Mentor and Johnny Cash, CPA will provide an update on the status of these two very important programs, as well as, detailed information on how to manage and account for expenditures from the funds to protect the "forgivable" status of funds from the PPP program.
