

**And now –
a message about local business solidarity!
Let the "Citrus County Pandemic Support Team"
support YOUR business!**

This could be YOUR business logo

All week, we've been focused on getting you information on loans, unemployment and Executive Orders. **It's time now for something a little more uplifting to help unite our community in solidarity to support our local businesses** and become part of the Citrus County Pandemic Support Team! Your Chamber is the first one to climb on board!

Chamber member, Shipyard Dog, and the Chamber are partnering to bring a unique, limited edition t-shirt fundraising campaign opportunity to our businesses, to help you, your employees and the community, and we hope every business in Citrus County will participate.

Shipyard Dog will print the logo of any business that participates on a T-shirt, with a Pandemic Support Team tag on the back. T-shirts will sell for \$25, and for each one sold, the business will receive \$10. Shipyard Dog will do ALL the work, including the [Pandemic Support Team website](#), printing, processing all orders and payment, mailing the shirt to the purchaser and sending the portion of your payment to you.

What do you have to do? **Promote it!** Tell your customers, friends and family; put it on your Facebook, Instagram and any other social media you use. It's a fun and easy way for your fans to show our community how much they love and support your business. As soon as we emerge from the stay-at-home orders, imagine hundreds of people wearing these T's in our community showing their support for YOU and our businesses.

For complete information and how to participate, click [here](#), fill out the form and return to Jim Briley of Shipyard Dog at the email address in the form.

Let's unite in solidarity to support local businesses!
