

For your Employees: Downloadable Reemployment Application now Available

A few days ago, we shared information about Governor DeSantis' Order to make paper applications available for employees and 1099 contractors to be able to mail in, rather than apply online. Today, we received [download](#) links.

Eligible individuals include those who:

- Have lost their job through no fault of their own
- Are quarantined by a medical professional or a government agency
- Are laid off or sent home without pay for an extended period by their employer
- Are caring for an immediate family member who is diagnosed with COVID-19.

[Click here for the Florida DEO site](#) to share with your employees. Although paper applications may take longer to process than online applications, the paper application is an alternative if the applicant is having difficulties with the online site

Additionally, [the DEO site](#) has the various **resources available for employers** such as the SBA EIDL, PPP, and Debt Relief programs, and Florida's Short-Time Compensation Program.

As always, this information will also be posted on the Chamber website, www.CitrusCountyChamber.com.
