

CHAMBER LEGACY PROGRAM

MAKE A STATEMENT
MAKE A DIFFERENCE

CITRUSCOUNTYCHAMBER.COM

A SPECIAL INVITATION

Become a part of an ongoing measure to support business in Citrus County. Through your annual participation in the Legacy program of the Citrus County Chamber of Commerce, you make a statement that your membership is an effective business strategy that demonstrates your involvement and support for the strength of our community.

The Legacy program is designed to give those upper level members who are consistent in supporting the work of the Chamber with additional business benefits in an annual package that provide you with superior exposure in the community that last throughout the year. The Legacy program is in addition to your regular yearly Chamber dues.

We welcome you to add your business to our growing list of Legacy members. By making one annual contribution, your package of enhanced benefits will begin immediately. The Legacy levels range from our premiere Platinum level of exceptional benefits that will give your business tremendous recognition within the community and beyond, to the easily affordable Copper level.

Legacy payments may be paid in 2 secure payments spaced throughout the year. If you desire a special package, please let us know. For more information, I invite you to contact me directly.

Sincerely,

Josh Wooten, President / CEO
